COME VISIT US IN OUR NEW HOME

In April of 1951 Lone Star Abstract & Title Co., opened its doors for business in Midland County and in April of 1978 we celebrated the opening of new doors on our new home at 600 North Loraine in order to offer you, the people of Midland County, better service in handling your real estate transactions.

Now representing Lawyers Title Insurance Company, Title Insurance Company of Minnesota and Commanwealth Land Title Insurance Company, we offer the safety and security that title insurance alone can provide your real estate purchases. No other property has a useful life that compares with the life of land. Owners die, new ones succeed, but land goes on forever; it is immovable and lends itself to the absorption of innumerable rights. Come to see us in order to protect those rights.
